applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall seek building certification, and provide a green roof of not less than 50% of the net roof area on the new construction building equivalent to an actual total of 4,097 square feet.
15. The Applicant acknowledges and agrees that the change of zoning of the underlying zoning district of this Planned Development No. 1329 from the B3-2 Community Shopping District to the B3-5 Community Shopping District for construction of this Planned Development triggered the requirements of Section 2-45-110 of the Municipal Code (the "2007 Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the 2007 Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the Applicant has agreed to provide 11 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per required affordable unit ("Cash Payment"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to DPD for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the B3-5 Community Shopping District.
